JUSTIN KEEN

Is Committed to Securing the Vote

From our founding fathers to President Reagan, American leaders have exalted our right and responsibility to vote. Yet, we all too often hear of limited access, broken machines, ballot harvesting and outright voter fraud.

Enough is Enough! Justin Keen will enforce and strengthen Mississippi law:

- ★ Prevent “Ballot Harvesting” – one person, one vote!
- ★ Verify only U.S. citizens cast a ballot
- ★ Remove inactive and deceased voters from voter rolls
- ★ Secure ballot information after polls close
